The project „Development and implementation of system for performance evaluation for Serbian HEIs and system – PESHES“ has wider objective Improvement of management, operation and quality of higher education institutions and system in Serbia.

The idea of the project, as well as goals and outcomes are connected with two the most important documents in Republic of Serbia.

- The first one is “**Education Development Strategy in Serbia until 2020**” (http://www.mpn.gov.rs/wp-content/uploads/2015/08/strategija_obrazovanja_do_2020.pdf) and
- The second one “**Action Plan for Implementation of the Strategy** for Development of Education in Serbia by 2020”.

Analyzing the document “Action Plan for Implementation of the Strategy for Development of Education in Serbia by 2020”, this project is focused on the first place on “Higher Education – Joint action”, particularly action with code VO-ZD 09 "Introduction of **quality indicators** in Higher education".

This particular action has following **implementation action** (according to Strategy and Action plan):

- (1) **Definition of set of indicators** for monitoring of condition of HE,
- (2) Improvement of **accreditation standards**,
- (3) Development of **model for implementation of indicators** (information system).

BUT ALSO: (4) **ranking study programs**; (5) **develop model of financing**.

The project is strictly focused and is in correlation with the actions mentioned above. Therefore our:

- work package 2 corresponds to action defined in (1)
- working package 3 corresponds to action defined in (3)
- working package 4 corresponds to action defined in (2).

In addition this project partly covers set of actions from “Higher Education – Joint action” (VO-ZD 08 Improvement of public responsibility of HE for quality of education, VO-ZD 21 Improvement of approach students’ centric education, VO-ZD 24 Improvement of cooperation with employers, business and industry, VO-ZD 25 Improvement of research component of HE and VO-ZD 26 Improvement of innovation potential and innovation outcomes).

Wider objective:

DEVELOPMENT AND IMPLEMENTATION OF SYSTEM FOR PERFORMANCE EVALUATION FOR SERBIAN HEIS AND SYSTEM – PESHES

Specific objectives:

1. Definition and implementation of **indicators and measures for performance based evaluation** of higher education institutions and system, as a basis for **value based management** in Serbian HEIs and system
2. Structuring and **pilot implementation of the system for ranking** of institutions and study programs
3. Introduction of **performance measurement in accreditation** and re-accreditation of study programs and HEIs

PROJECT PACKAGES

PREPARATION: Establishment of infrastructure for the development of system for performance based evaluation

DEVELOPMENT: Development of system for performance evaluation, profiling and multi-ranking

DEVELOPMENT: Development of ICT for support

DEVELOPMENT: Institutionalization of results and development of basis for value based management

QUALITY PLAN: Quality planning, control and monitoring

DISSEMINATION & EXPLOITATION: Dissemination and exploitation of results

MANAGEMENT: Project management

PROJECT RESULTS

1. The first set of results will be connected with **development of indicators**.
2. The second set of results will provide the **transition towards more performance oriented steering mechanism**.
3. The indicators will be **introduced in accreditation standards**.
4. Ministry will have the basis for development of directives and documents for **definition of funding** of HE system in Serbia.
